# About Us

We are a Dubai-based 3D visualization studio that specializes in creating stunning, photorealistic visuals for interior design, architecture, and advertising projects.

A group of enthusiastic, young creatives who want to change the industry with our high-caliber work and quick turnaround times.

SPACES & DIMENSION

# Our Vision

We are more than just a studio. We are a place where ideas are born, creativity is unleashed, and where innovation is celebrated. If you are looking for a partner who can transform your vision into reality, look no further than Spaces and Dimension.

SPACES & DIMENSION

# Our Services

We offer a range of services to meet the needs of our clients, including:

## Interior 3D Visualization

We can create beautiful and functional interiors for any type of space, from residential to commercial, from modern to classic.

## Exterior 3D Visualization

We can showcase your building or project in its best light, with realistic lighting, materials and landscaping.

## Product 3D Visualization

We can help you present your product in an attractive and convincing way, with detailed textures, colors and features.

# Meet Our Founders

Sumesh, Ajmal, and Irshad are our three accomplished and talented founders. Each of them has around 15 years of experience in the field of 3D visualization and has worked on numerous projects for local and international clients. They all have the same goal: to push the limits of 3D visualization and give our clients the best results possible.

**Sumesh S G**

Brain behind the idea – a problem-solving maverick who adds a unique edge to everything he touches. A motorcycle enthusiast who finds inspiration on the open road.

**Ajmal**

Master of balance who keeps the team on track with a keen eye for creativity and productivity. He's the core of the team.

**Irshad**

The brilliant mind behind the company's success, with extensive experience from Dubai's top consultancies. He's the one who takes care of the company's health and drives its success.

SPACES & DIMENSION

# Client Testimonials

"We have been working with Spaces & Dimension for the last few years, and to date, they offer the highest quality service we have experienced. Their attention to detail, understanding of the wider project aspirations, and expertise is virtually unparalleled. They are extremely professional and dedicated to their craft. We see Spaces & Dimension more as an extension of our studio, rather than a service provider."

- Matthew Sexton, Managing Director | SAY Studio, Dubai

"We have been working with Spaces & Dimension, specially for multiple projects across both hospitality and commercial projects and the output has been fantastic. Our designs are really brought to life and the process and speed in which we can achieve the quality needed is exceptional."

- Steven Charlton, CEO | i/o atelier, London

# Client Testimonials

"Spaces and Dimension have been wonderful to work with over the years. They have a highly qualified team, who are equally as skilled understanding technical applications as they are in mastering the artistic qualities of a beautiful design"

- Laila Al-Yousuf, Design Director | SAY Studio, Dubai

"Having worked with an array of 3D visualization companies over the years, I can confidently say that Spaces and Dimension are a standout group of extremely talented visualizers. Their professionalism, focus on details and the brilliant realism of the final product have ensured that my design ideas are showcased to my clients in the best possible manner and within agreed timelines."

- Vijay Nambiar, Associate | Roar, Dubai
